You won't want to miss this special upcoming AGE FRIENDLY event in the South Cariboo – MARK YOUR CALENDARS for June 20, 2016!

Isobel Mackenzie, the Seniors Advocate for the Province of BC will be coming to 100 Mile House on MONDAY JUNE 20, 2016 to speak on issues of interest to seniors. She will be speaking at Creekside Seniors Centre – times to be advised. Watch for community announcements.

The Office of the Seniors Advocate monitors and analyzes seniors' services and issues in B.C., and makes recommendations to government and service providers to address systemic issues. The Office also provides information and referrals for individuals who are navigating seniors' services and tracks their concerns, which helps inform future work.

The services which the Office monitors are in five key areas: health care, housing, income supports, personal supports and transportation.

The Office collaborates with service providers, government and health authorities to improve effectiveness, efficiency and outcomes. A council of advisers, made up of B.C. seniors, provides the Seniors Advocate with advice and feedback from the perspective of seniors with diverse backgrounds, ages, geographical areas and cultures. Local community AGE FRIENDLY champion Ralph Fossum sits on the Council of Advisers.
